RE: 13.CA.034 B and E at Wedgewood Pizza 131738

DATE: 05/17/2013

On May 17th, 2013 at 4:39am Grove City Police Officers responded to a burglary alarm at Wedgewood Pizza in Grove City, Ohio. When the officers arrived they discovered the lock to the front door had been removed. The officers checked the business and discovered the suspects had fled the scene. Security camera video shows two white males who were wearing gloves and masks entering the business but fleeing very quickly after the alarm went off. When an employee of a nearby Impero Coffee shop arrived at work he discovered the business had been broken into in the same manner as Wedgewood Pizza. The photo below is of the two suspects. Anyone with information should contact the Grove City Division of Police at 614-277-1710.
